WEEE Compliance Statement

Producer obligations

Under the UK Waste Electrical and Electronic Equipment (WEEE) Regulations, "Producers" are required to mark all relevant EEE with a "crossed-out wheelie bin" symbol to remind consumers not to discard WEEE in the domestic waste stream. Ovarro encourages all of its customers to make note of this symbol and avoid putting any WEEE in your domestic waste bin(s) or container(s).

As a Producer under the UK WEEE Regulations, Ovarro complies with its Producer obligations by being registered as a Member of the Wastecare WEEE Producer Compliance Scheme and obtaining the WEEE Producer Registration Number – **WEE/BF1844YR.**

Wastecare WEEE producer compliance scheme is operated by Wastecare Compliance Plc, registration number 06043169. The Scheme is approved by the Environment Agency, registration number WEE/MP3538PZ/SCH.

As a B2B Producer under the UK WEEE Regulations, Ovarro allows for its customers and end users of the EEE placed on the market in the UK to return WEEE back to us free of charge on a like-for-like basis for new EEE purchased. Such WEEE can be returned to the following locations **Ovarro TS Ltd, Rotherside Road, Eckington, Sheffield**, **S21 4HL** or **Ovarro LD, Ovarro House Parklands Business Park, Denmead, Hampshire, PO7 6XP.** Alternatively, contact Wastecare via email compliance@wastecare.co.uk or call 0330 331 1801 to arrange a collection.

If you would prefer us to collect your WEEE from your premises, please contact us as there will be charges for collection from your premises and for delivery to an Approved Authorised Treatment Facility (AATF). The charge will only cover the cost of transportation and handling and will not include any cost in relation to the treatment or reprocessing of WEEE as defined by the UK WEEE Regulations.
